

Labfacility offer a wide range of Thermocouple, PRT and extension cable / wire in stock for immediate despatch. Thermocouple cables are available in IEC or ANSI colour codes. Insulation types include PFA, PTFE, PVC & Fibreglass and various spool sizes are available.

## **PVC Insulated Thermocouple Cable**

Superior quality, PVC insulated thermocouple extension and compensating cables.

## **PFA Insulated Thermocouple Cable**

High quality, PFA insulated thermocouple extension cables. PFA insulation is extruded.

## **PTFE Insulated Thermocouple Cable**

High quality, PTFE insulated thermocouple extension cables, PTFE is wrapped. Includes Single-Shot cable.

## **Glassfibre Insulated Thermocouple Cable**

Glassfibre Insulated Thermocouple Cables - Superior silicone varnished glassfibre insulated thermocouple extension cables. Optional stainless steel overbraiding adds mechanical protection and screening.

## **PRT Sensor Cable**

A range of PRT sensor cable to suit various applications, Including PVC, PFA, PTFE & silicone rubber insulated cables. We also offer retractable curly leads.

### Temperature Sensors

We manufacture temperature sensors to suit your application. In addition, a large range of Thermocouples in IEC or ANSI calibration, PRT's, Detectors, Environmental Sensors and Hand-Held Sensors are available from stock for immediate despatch.

- Thermocouples in IEC & ANSI
- High Temperature Sensors
- Handheld Temperature Sensors
- RTD / PRT Sensors & Detectors
- Custom Built Sensor Configurators

### Thermocouple Connectors

We are Europe's largest manufacturer of thermocouple connectors and accessories in IEC, ANSI and JIS colour codes.

- Comprehensive range of fittings and accessories including mounting panels

### Thermocouple & PRT Cables

Labfacility offer a wide range of thermocouple, PRT and extension cable in stock for immediate despatch. Thermocouple cables are available in IEC or ANSI colour codes. Insulation types include PFA, PTFE, PVC & Fibreglass.

- PVC, PFA, PTFE, Glassfibre & PRT cable

### Temperature Instrumentation

Labfacility has always been associated with high accuracy temperature measurement manufacture.

- L60 Thermocouple & Fine Wire Welder
- Bench Top Instrumentation
- Panel Mount Instrumentation
- Cold Chain Data Loggers
- Hand Held Instrumentation
- Thermometer Kits with Meter
- Calibrators and Precision Calibration Checkers
- Temperature & Humidity Transmitters

### Sensor Fittings

Labfacility manufactures a wide range of components and fittings for sensor installation, in stock for immediate despatch.

- Compression Fittings
- Terminal heads & blocks
- Locknuts, Pot Seals, Reducers, Bayonet Caps, Flanges and Thermopockets
